

2016 Summer YouthWorks Providers

Provider :	Columbus Urban League
Contact Information:	788 Mount Vernon Ave. Columbus, Ohio 43202 (614) 257-6300 http://www.cul.org/syep/
Estimated # to be Served:	280
Ages Served:	14-24
Program Description:	<p>The Columbus Urban League's (CUL) Summer Youth Empowerment Program will offer participants placement at work experience sites for up to five days per week. Assignments to worksites will be closely aligned with the skills and interests of each youth as indicated on their individualized career assessments. All youth will participate in 16 hours of work-readiness training prior to placement at worksites. Youth will also participate in weekly career development sessions throughout the summer program.</p>

Provider :	Eckerd Youth Alternatives, Inc. (formerly Henkels & McCoy, Inc.)
Contact Information:	80 S. Sixth St. Columbus, Ohio 43215 (614) 221-3398 http://www.eckerd.org
Estimated # to be Served:	350
Ages Served:	14-24
Program Description:	<p>This program will establish paid work experience opportunities for all youth enrolled. Participants will work with Workforce Development Specialists to assess which work experiences best match their individual vocational skills and interests. The Provider will identify worksites that focus on high demand/high growth industries as well as employers who are likely to consider older youth for unsubsidized employment at the end of the program. All youth will participate in 16 hours of pre-employment training to prepare them for their work experience.</p>

Provider :	Godman Guild Association
Contact Information:	303 E. Sixth Ave. Columbus, Ohio 43201 (614) 294-5476 http://www.godmanguild.org/
Estimated # to be Served:	250
Ages Served:	14-24
Program Description:	Godman Guild's KEYS program will enroll, train and place youth in internship sites throughout Franklin County with a focus on youth residing in Weinland Park for an 8-12 week period. Godman Guild will leverage other community entities to provide quality work experiences for youth this summer. Godman Guild will subcontract with Central Community House for targeted arts related work experiences and with the Children's Hunger Alliance to support and expand capacity at several of the Summer Feeding program sites. Many of the youth that apply for the program are either adjudicated youth or teen parents. Additionally, Godman Guild has a formal relationship with the Franklin County Child Support Enforcement Agency for the placement of young adult child support obligors. Youth will participate in a 16-hour, work-readiness training.

Provider :	St. Stephen's Community Services, Inc.
Contact Information:	1500 E. 17th Ave. Columbus, Ohio 43219 (614) 294-6347 https://www.surveymonkey.com/r/SSCH2016
Estimated # to be Served:	600
Ages Served:	14-24
Program Description:	The Learn-to-Succeed project will provide youth with a structured employment opportunity focusing on introducing youth to employers and activities that will positively impact their future careers. All youth enrolled will be assessed for career interests and work experience history, and receive 16 hours of work readiness skills followed by eight or 10 weeks of actual work experience at identified worksites. St. Stephen's Community House (SSCH) has forged a partnership with Partners Achieving Community Transformation (PACT) and The Ohio State University to offer a work-based learning program. Youth will gain age-appropriate work experience which focuses on core business concepts.

Provider :	TECH CORPS Ohio
Contact Information:	6600 Busch Blvd., Suite 210 Columbus, Ohio 43229 (614) 583-9211 http://techcorps.org
Estimated # to be Served:	205
Ages Served:	14-18
Program Description:	<p>Student WEB CORPS is an eight-week, work-based learning program where student-employees work in project teams supported by a technology instructor. The program curriculum is designed to teach web development and project management skills and expose youth to careers in technology. Participants will apply these newly developed skills by creating a website designed for a small business or to champion a local, state or national cause relevant in the community.</p> <p>TECH CORPS will also subcontract with Lead the Way Career Academy to offer traditional work experience opportunities for 90 youth. Youth in both programs will participate in 16 hours of work-readiness training.</p>

Provider :	Workforce Development Board of Central Ohio
Contact Information:	1111 E. Broad Street Columbus, Ohio 43205 (614) 559-5052 http://cowic.org/
Estimated # to be Served:	265
Ages Served:	14-24
Program Description:	<p>The 2016 S.O.A.R hire! Program will include two internship models:</p> <p><i>Futures Under Construction Model</i> – This model provides opportunity for youth and young adults, with limited to no work experience, to build practical work experiences through structured summer work activities at community entities, local businesses and governmental offices. Under this model, youth will also receive workplace competency training and leadership development sessions throughout the eight-week summer program.</p> <p><i>Work-N-Progress Model</i> – This model offers youth, with prior work experience, the opportunity to participate in work-based internships in high-growth industries. Under this model, youth will also receive workplace competency training and leadership development sessions throughout the eight-week summer program.</p> <p>The Workforce Development Board of Central Ohio will subcontract with the following five (5) community partners: the Central Ohio Workforce Investment Corporation (COWIC), Ethiopian Tewahedo Social Services, Greenleaf Job Training Services, Inc., Impact Community Action Inc. and The Neighborhood House. COWIC will serve in a dual capacity as the program administrator and as a direct service provider.</p>
